System Design Session

In this session we will be covering:

- Dante System Design Considerations.
- System Design Examples
  - HOW/Performing Arts Center
  - Corporate/Higher Education Facility
- Resources for Product Selection

Resources for Product Selection

- Audinate website Product Catalog
  - Updated weekly
  - Well over 90% of the products listed are shipping.
  - Filter by product type
  - Links to the manufacturers websites
- Manufacturers websites
  - Specific details on their Dante implementation
  - Data sheets/Manuals/Software
  - Firmware updates
